

Instructions for Visitors

1. Introduction:

Given the sensitivity of Presidential Flight (PF), Visitors are eligible to enter PF only by an authorized Gate Pass arranged by the visited department. Gate pass request must be submitted at least “One Working Day” prior to of the planned visit date.

2. Documents Required:

In order to get access to PF, visitors must hold one of the following IDs:

- Valid **Emirates ID** Card, or
- Original **Passport**.

3. Visitor Policies:

- All visitors will be subject to inspection upon entering PF premises.
- Visitors should abide by Security instructions at all times within PF.
- Visitors should not bring any prohibited items (List is attached).
- It's not allowed to bring in cameras (Photographic or Video) to PF without prior authorization. Any use of cameras within PF without prior permission will lead to camera confiscation and possible legal action.
- Visitors should display their provided visitor card at all times of their visit to PF.
- Visitors are allowed to access the authorized areas only. Legal action will be taken against incompliance visitor.
- All Visitors shall be escorted while being at airside by the department requesting the gate pass.

- Visitors should take care of the access card issued to them. In case of loss; the visitor should immediately report that to the visited department or call ext. (222) (Security Operations Control Room).
- As per the recent directives of “Department of Government Support”, all visitors to Presidential Flight shall have valid PCR test of 3 days with Negative result. (Safety requirements for visitors are shown at Main Gate and Buildings’ entrances).

4. Entry Guidelines:

❖ Visitors with Approved Car Access:

- Presidential Flight (PF) is located near Abu Dhabi International Airport, next to Etihad Engineering & Masdar City. Follow road signs to “Presidential Flight”, or enter (24.4409047, 54.6238947) in your GPS System/Google Maps/Google Earth.
- Drive slowly while approaching Presidential Flight. Park your car in temporary parking area next to PF Reception (marked in Red in Map-1).
- Approach the reception desk and present your ID. Security Guard will hold the ID and provide you with a “Visitor Card” in exchange.
- After collecting the visitor card; drive and stop your car next to Security Guard House, open the window and show the access card to Guard for visual identification. Security guard will perform their normal check and allow you in.
- Swipe the visitor card against the card reader unit positioned to your left. The barrier will open and you can then proceed.
